Message

Teachers play a vital role in shaping the future of our children. A true teacher is an inspirational guide and a mentor who nurtures young minds and gives expression to their inborn talents. On Teachers Day we salute our teachers who silently but tirelessly help our future generations to become responsible citizens and good human beings.

Teachers' Day on 5th September commemorates the birth anniversary of Dr. Sarvepalli Radhakrishnan, former president, philosopher and a great teacher. Teachers' Day represents a significant symbol of the awareness, understanding and appreciation for the vital contribution that teachers make to education and development. In an era of information revolution, a good teacher can attain global recognition and raise the prestige of the country in the world by making judicious use of the facilities available.

Let us take a pledge to heartily respect and honour our teachers in our daily lives as without a good teacher we all are incomplete in this world.

Heartiest greetings to all on Teachers Day.

MESSAGE

A teacher has great influence in shaping the life of an individual even more than their parents. In our country's culture, a teacher always occupies an exalted position. Teacher's proper guidance and support is very important in achieving one's goal in life. They nurture our dreams, develop our talents and help us realize our ambitions and reach our goals.

Dr. Sarvepalli Radhakrishnan, former President of India, was a great intellectual, philosopher and educationist. As a tribute to Dr. Sarvepalli Radhakrishnan and millions of teachers who have moulded the lives of the students, we celebrate his birthday on the 5th of September as 'Teacher's Day'. Education according to Dr. Radhakrishnan did not mean only literacy or factual knowledge, but growth of wisdom, which lies in tolerance, understanding, compassion and humanity.

On this Teacher's day, let us pay our respectful tributes to our teachers who guide and mentor us to aspire for and achieve success in life and help us become enlightened citizens of this great nation.

My best wishes to all of you on this occasion of Teacher's Day.
